Subject: Request for Proposal for the Sexual Assault Felony Enforcement (SAFE) Team Program

The Governor's Office of Emergency Services (OES) is pleased to announce the Request for Proposal (RFP) for the SAFE Team Program. The purpose of this RFP is to fund seven projects statewide to initiate SAFE Teams in those counties or regions where SAFE Teams are not presently in place, or to augment existing SAFE Teams in those counties currently supporting SAFE Teams. This effort is intended to ensure that there are SAFE Teams in each of the seven (7) OES Law Enforcement Mutual Aid regions of the state.

The grant period will begin January 1, 2007 and end June 30, 2007. A total of \$5.7 million dollars is available for the SAFE Team Program. Future year program funding is contingent upon the action of the Legislature. The baseline amount of funds available for each SAFE Team grant is \$600,000 per award. Individual county applicants or groups of county applicants from the same OES Law Enforcement Mutual Aid Region will be eligible for an additional pro-rata share of supplemental funds based upon the number of Penal Code 290 registrants in your county/region as a percentage of the aggregate total of registrants represented by all counties or regions receiving funding. The number of Penal Code Section 290 registrants used to calculate the percentage shares will be predicated on numbers provided to OES by the California Department of Justice (DOJ).

A copy of the RFP may be obtained from the OES website www.oes.ca.gov by following these steps: select OES Divisions and Regions, Law Enforcement and Victim Services Division, RFP Funding Information. Additionally, a hard copy of the SAFE Team Program RFP may be requested by sending three self-addressed, self-adhesive mailing labels to: Joyce Faidley, Governor's Office of Emergency Services, Crime Suppression Section, 3650 Schriever Avenue, Mather, CA 95655.
